

About the ENNEAGRAM

The ENNEAGRAM is an ancient wisdom that gives insight into the motivating forces within the human person.

It is not strictly about personality profiles; rather it is about the origins and nature of human compulsive tendencies and the ways in which they can, when we are not conscious of them, drive us into unhealthy behaviours and attitudes. This unhealthiness damages the fabric of our interpersonal relationships, falsifying our self-perception and corrupting our capacity for love, to love, and to be loved. Divine Grace requires our cooperation, and our lack of awareness of these hidden forces within ourselves limits this. When we become conscious of what is at work in us we find a pathway that brings true freedom and a growing delight in the presence of God.

The Facilitator:

Chris Chaplin msc became interested in the ENNEAGRAM in 1988. Completing further study in the ENNEAGRAM in 1992 and since, Chris has used this tool for over 20 years as he walked with people as a Spiritual Director (graduate of **SILOAM, Heart of Life**, Melbourne 1994) and when he was on staff at **St. Mary's Towers Retreat Centre, Douglas Park** (2006 to 2009).

Chris has facilitated workshops on the ENNEAGRAM in Adelaide over the last few years.

He is an experienced teacher of **Meditation** and **Mindfulness**.

He is also a qualified and practicing Transpersonal and Emotional Release Counsellor and member of the **Assoc. of Transpersonal & Emotional Release Counsellors Inc. (ATERC)** - a Member Association of the **Psychotherapy and Counselling Federation of Australia (PACFA)**.

He lives the life of a hermit at Shoreham on Victoria's, Mornington Peninsula.

Most importantly he is actively committed to his own interior life.
